### Kube's Korner

This past week I had the privilege of watching my oldest son, Wyatt, play in his first college football game, which by itself is awesome because very few high school football players go on to play college football. But what amazed me the most was my son's dedication to get back on the field. He has had a few knee surgeries, which also meant months of rehab sessions. During COVID we had several conversations about whether or not he wanted to put himself and his body through all this. I told him God has made him more than a football player, even though as a young child football was his life. He certainly has learned how to battle through for the love of the game. Thank you Wyatt for teaching me how to continue to fight and prepare for the unknown. What a joy it was. Thank you Lord for continuing to lead us today and all to come.

## Catechetical Week 4

**Romans 5:8** But God shows his love for us in that while we were still sinners, Christ died for us.

### Small Catechism

8th COMMANDMENT

7th COMMANDMENT

**You shall not steal.**

**You shall not give false testimony against your neighbor.**

*What does this mean?*

*What does this mean?*

We should fear and love God so that we do not take our neighbor's money or possessions, or get them in any dishonest way, but help him to improve and protect his possessions and income.

We should fear and love God so that we do not tell lies about our neighbor, betray him, slander him, or hurt his reputation, but defend him, speak well of him, and explain everything in the kindest way.

### Hymn of the Week: #812

Come, let us join our cheerful songs  
With angels round the throne;  
Ten thousand thousand are their tongues,  
But all their joys are one.  
“Worthy the Lamb that died,” they cry,  
“To be exalted thus!”  
“Worthy the Lamb,” our lips reply,  
“For He was slain for us!”
