WHAT IS THE LUTHERAN LEGAL LEAGUE?

The Lutheran Legal League, or "L3", is a collection of lawyers who are:

1. Active members of an LCMS congregation
2. Licensed to practice law in their state
3. Interested in providing answers and guidance using their unique legal expertise to an LCMS entity/member

The L3 currently has nearly 100 actively practicing members in 24 states and the District of Columbia. It is our deepest desire for L3 to be a resource to all 6,000+ of our churches, schools and to our +2 million LCMS members.

HOW CAN L3 HELP ME OR MY FAMILY?

L3 can be helpful when situations arise with:

- Setting up an LCMS Church or School
- Purchasing property
- Employment law issues
- Civil litigation and personal injury
- Landlord-tenant issues
- Eminent domain
- And more

Helping our fellow LCMS members is our ministry and is why we formed the Lutheran Legal League ("L3") in 2015.

WHAT DOES L3 DO?

L3 exists solely to provide LCMS entities, missions, and congregation members access to lawyers who happen to also be actively worshipping in an LCMS church.

L3 does not charge any fee for connecting you to our members. It is NOT a referral company nor are we endorsing any one attorney over another. Simply stated, L3 exists simply as a resource to our LCMS family; a connection place, if you will.
